

Shave Down Waiver

It is known that there can be a variety of skin and hair coat care problems that may occur after a complete shave down of a dog or cat, particularly the double coated dogs or those often referred to as the fur bearing rather than hair bearing dogs.

Those problems may be the following but not limited to:

- Loss of hair growth
- “Coat Funk”- the coat not growing back in the same texture and or color prior to shaving
- Bald patches
- Hyper pigmentation of the skin- Darkening of the skin where the coat has not grown back
- Sunburn
- Loss of Guard Coat- Top Layer of Coat
- Coat re-growth in different direction (cowlick’s)

Knowing that any and all of the above conditions can occur I authorize my Groomer
(Groomer’s name) _____,

to shave down my pet (Pet’s name) _____.

I hold _____ (Groomer’s name) harmless if any and all the
above conditions occur on my pet.

I have read and agree to this waiver.
